Digital Imaging Services Pricing

Photography of 2 Dimensional Art \$85

Our Full Service option includes a consultation, high definition image capture, digital file adjustments including color correction and dust spotting, 8.5 x 11 inch proof, and a digital file on CD or DVD.

Oversized art, greater than 48 x 60 inches, \$125

Notes about 2D Capture: Color matching requires having the original in hand, therefore we encourage customers to have the color match done at the time the image is captured. Color accuracy is particularly important for publication or when prints will be made.

Scanning

Flatbed Scanning (up to 12 x 16 inches), **\$30 each**

Transparencies and Negatives (up to 4 x 5 inches), **\$40 each**

Color Correction, Dusting and Editing, **\$95/hr**

Notes about Transparencies & Negatives: 16 Bit Capture = File Size 150mb-400mb. File size determined by film format and type.

Additional Services

CD/DVD Burning, **\$5 each**

Photoshop retouching, dusting, image restoration, layout and design, **\$95/hr**

Turnaround Time

Normally, one should expect a 3 to 5 day turnaround time, depending on the size and complexity of the job.
